

# Open Enrollment at the Massachusetts Health Connector

**October 23, 2026–January 23, 2027**

Open Enrollment is your time to enroll, renew, or review your health and dental coverage for 2027. Enroll by December 23 for coverage starting January 1.

## What You Can Do During Open Enrollment

- **Review your current plan.** Make sure it still fits your needs.
- **Compare new plans.** See your 2027 health and dental options side by side.
- **Check your savings.** Find out if you qualify for Advance Premium Tax Credits (APTC) and a ConnectorCare plan.
- **Enroll or renew.** Sign up for coverage or keep the plan that works for you.

**Get started at [MAhealthconnector.org](https://MAhealthconnector.org)**

## Need Help? Talk to an Enrollment Assister.

Get **free**, in-person help close to home! Enrollment assisters are state-certified and can help you understand your options, apply for savings, and complete your enrollment. Ask for staff at this location or visit **[MAhealthconnector.org/help](https://MAhealthconnector.org/help)** to find one near you.

---

*The Massachusetts Health Connector is here to help you find health and dental coverage that meets your needs. Coverage and savings eligibility may vary. Special Enrollment may be available year-round if you have a qualifying life event.*
