# ConnectorCare Coverage: Updates and Eligibility

# Payment Help You Can Get through the Health Connector

## Advance Premium Tax Credits (APTC)

- APTC lower the premium amount you pay each month
- The IRS sends your tax credit directly to your insurance company, so you'll pay less each month
- You can apply some or all your tax credit to your monthly premium payment

## ConnectorCare Program

- Uses federal advance premium tax credits (APTC) plus MA state funds to help reduce the monthly premium amount you pay
- Has low monthly premiums, low out-of-pocket costs, and no deductibles

# ConnectorCare Program Changes

Due to federal policy changes, there are two major impacts to the ConnectorCare program in Plan Year 2026:

## ConnectorCare Plan Type 1 has been eliminated

- Individuals and Families with incomes under 100 percent of the federal poverty level (FPL) will no longer be eligible for advance premium tax credits (APTCs) as of January 1, 2026.

## ConnectorCare Plan Type 3D has been eliminated

- ConnectorCare eligibility includes a requirement that individuals are also eligible for APTC. The federal enhanced APTCs expired at the end of 2025.
- APTCs will only be available for individuals earning up to 400 percent of the federal poverty level. Therefore, ConnectorCare Plan Type 3D has been eliminated. **Visit Updates – Massachusetts Health Connector to stay informed about Federal changes**

# Coverage for Students

Massachusetts law requires students enrolled at least 75% full-time to have health insurance that meets state and federal standards.

## 3 Ways to Stay Covered:

- Stay on parents' coverage (if under the age of 26)
- Enroll in your Student Health Insurance Plan (SHIP)
- Apply for Coverage through the Health Connector

# Health Savings Account (HSA)

For the first time in 2026, Health Savings Accounts (HSAs) can be used with all individual plans on the Health Connector's Bronze tier and Catastrophic plans.

HSAs let people set money aside to help pay out-of-pocket health care costs through an account that lets them save money at tax time. Most larger banks and personal finance companies offer quick and easy HSA options with information about how to deduct HSA contributions at tax time.
