Re: Notification of Upcoming Contracts

Overview

This memorandum provides the Board of Directors with notice of contracts the Health Connector plans to execute, for which the Board by-laws do not require a formal vote.

Summary of Contracts

Systems Developer (McInnis)

The Health Connector will enter a work order with McInnis Consulting, procured through state contract ITS77, Staff Augmentation contract, for the services of a systems developer. This resource will provide database and application development services to modernize and enhance security of Health Connector applications, in support of the agency's priorities related to strengthening organizational infrastructure. This work order will cover the period from April 20, 2026, through October 23, 2026. The cost of this work is a not-to-exceed amount of \$140,000.
